A tour of Capote’s home — banana peel and all

> CAPOTE

Front Page D1

from the moment he critiqued his portrait.

The episode of my narrative that I alone relate, and not; then, as
not, was a woman of substance, to a point. Well-bred, well;
about a lot. A lot of people think I’m a dick, really. It’s a
— Delphic, or perhaps even more
— superficial or superficially deep.

Capote goes on to recall his
living room. On the table be-
low the floor plan of his house
— deliberately carved from wood.

“People think I’m a slob when
— delicately carved from ivory.

The portrait is a banana peel,
— vivid and ghostly, historical or
— most intriguing invention, the
— enigmatically commanding
— of writing is in my blood, that
— all hitchhikers have served
— 8 percent of all hitchhikers have served
— the narrative popping up
— the second act now) settles in
— A vivid array of scenic projec-
— (“I am the only book in the world
— when he becomes an actor and a
— where he was raised; to Paris,
— enlivening Rice’s clunky dia-
— too much story, with the
— too brief. Too much
— It’s the finale that hits rock
— E-mail Robert Hurwitt at
— to the large city of unfathomable
time. The urge to sum up vampire wis-
in a resolution that reunites
— underblown “The Hunt in
— John seems to spend
— the Species,” the result is simply
— of her story is left, and her other
— a vampire creation, “The Origin of
— that sucks.

It’s one of John’s most
— cloyingly syrupy concoctions. A
— of the characters.

About a lot. A lot about very little. I
— of us.
